

TRACK RECORD

RANGE OF PROJECTS CARRIED OUT BY THE COMPANY INCLUDE :

YEAR	SCOPE OF WORK	CLIENT
2004	<p>Manufacturing of Portable Machinery Module (LME-PMM), with the following equipment built into it. All of which are <i>In-House Designed and Manufactured by LexMar Engineering</i>:</p> <p>3 x Hyperbaric Environmental Control Units Model: LME-HECU-05 1 x Dual Redundant Electric Divers Hot Water Unit Model: LME-HWE-02 1 x Potable Water Unit Model: LME-PWU-01 1 x Divers Gas Reclaim System "LesGaz" Model: LME-RC-02-DH Plus 6 x Chamber Conditioning Units Model: LME-CCU-03</p>	Unique/Dolphin
2004	<p>Design, Engineering & Manufacturing of 9-man 200mtr Saturation Diving System – new built - with existing bare tankage including the following equipment built In-house by LME:</p> <p>3 x Hyperbaric Environmental Control Units Model: LME-HECU-04 5 x Chamber Conditioning Units Model: LME-CCU-03 1 x Dual Redundant Electric Divers Hot Water Unit Model: LME-HWE-02 1 x Potable Water Unit Model: LME-PWU-01 1 x Divers Gas Reclaim System "LesGaz" Model: LME-RC-02-DH 1 x Combined Heater Scrubber Model: LME-CHS-02 3 x CO₂ Scrubber Model: LME-CS-01 Including all Certification as per IMCA standard</p>	ALAM Maritim (M)
2004	<p>Design, Engineer & build of a new Surface Gas/Air System (IMCA compliant) Comprising of an Airconditioned Containerized Chamber, 3 Diver Control panel Unit, Machinery module (Containerised) with LP & HP compressors, Hydraulic Power Pack and HP Air cylinder Bank, A Launch and Recovery System (LARS) with two Hydraulic Manriding Winches and 2 x Diver Stage</p>	ALAM Maritim (M)
2003/ 2004	<p>Manufacturing of Machinery Van, with the following equipment built in-house by LexMar Engineering Pte Ltd:</p> <p>3 x Hyperbaric Environmental Control Units Model: LME-HECU-05 1 x Dual Redundant Electric Divers Hot Water Unit Model: LME-HWE-02 1 x Potable Water Unit Model: LME-PWU-01 1 x Divers Gas Reclaim System "LesGaz" Model: LME-RC-02-DH Plus Manufacturing of 9 x Chamber Conditioning Units, Model: LME-CCU-03</p>	Allied Marine & Equipment
2003/ 2004	<p>Manufacturing of Machinery Van, with the following equipment built in-house by LexMar Engineering Pte Ltd:</p> <p>3 x Hyperbaric Environmental Control Units Model: LME-HECU-04 1 x Dual Redundant Electric Divers Hot Water Unit Model: LME-HWE-02 1 x Potable Water Unit Model: LME-PWU-01 1 x Divers Gas Reclaim System "LesGaz" Model: LME-RC-02 Plus Manufacturing of 6 x Chamber Conditioning Units, Model: LME-CCU-01</p>	Hallin Marine

YEAR	SCOPE OF WORK	CLIENT
2003	<p>Manufacturing of Machinery Van, with the following equipment built in-house by LexMar Engineering Pte Ltd:</p> <p>3 x Hyperbaric Environmental Control Units Model: LME-HECU-04 1 x Dual Redundant Electric Divers Hot Water Unit Model: LME-HWE-02 1 x Potable Water Unit Model: LME-PWU-01 1 x Divers Gas Reclaim System "LesGaz" Model: LME-RC-02 Manufacturing of 6 x Chamber Conditioning Units, Model: LME-CCU-01 Manufacturing of Mini HRC Combined Control Van and Machinery Van (c/w Mini Chiller Unit, Model LME-HECU-MC-01)</p>	CAPE Diving and Salvage
2003 S'pore	<p>3-year Contract for the Maintenance of Hyperbaric Chambers and Compressed air Systems (June 2003 till June 2006)</p>	Republic of Navy
2003	Manufacturing of Dual Hyperbaric External Regeneration System, Model LME-HERS-02	RANA & CNS
2003	Manufacturing of Mini HRC Control Van c/w Mini Chiller Unit (Model LME-HECU-MC-01)	Gulmar Offshore
2002 Ltd	<p>Manufacturing of 6-man 200mtr Saturation Diving System including In-house build Hyperbaric Environmental Control System, Reclaim Unit, Dual Hot Water Unit and Potable Water Unit. Including all Certification as per IMCA standard</p>	HydroDive Int'l
2002 2003	<p>Refurbishment/certification & maintenance of 6-man 200mtr Saturation Diving System in Shanghai</p>	C.O.E.S.S
2002	Build & Certification of 10-man Hyperbaric Reception Facility Comprising of 10-man Main Chamber, Entry Lock, Combined Machinery & Control Van, Hyperbaric Rescue Chamber (HRC), Connecting Base Frame & HRC Emergency Control/Machinery Van	McDermott
2002	Design & Manufacture of Divers Dual Electric Divers Hot Water Unit Model LME-HWE-2	McDermott
2001/ 2002	<p>Design & Manufacture of 7 x Hyperbaric Environmental Control Units – 6 x Model LME-HECU-01, 1 x Model LME-HECU-01M (Mini Unit) and 10 x Chamber Conditioning Units – Model LME-CCU-01</p>	McDermott
2001	Re-installation & Re-certification according to IMCA of 12 man Saturation Diving System onto MV "Adams Challenge"	Khalifa A. Algosaiibi
2001	Design & fabrication of 700mm Equipment Lock	Stolt Offshore
2001	Fabrication of Dual Redundant Electric Divers Hot Water Unit Model LME/HWE-2	Stolt Offshore
